Montreal, April 2024

Dear Exhibitor,

We are pleased to welcome you to the 30th edition of the Mondial de la bière de Montréal. This is the time of year when we send the last information for the event's preparation. This exhibitors' manual contains valuable information such as: planning your participation in the event, setting up on site, conduct of the event and final dismounting.

The « Operational logistics » document is an important summary which should be kept in your kiosk for reference. Use it for an easy access to relevant information when changing staff! For any questions about the document, please contact Miguel Reynaud, Logistics Director at 514.722.9640 # 225 or logistique@festivalmondialbiere.qc.ca.

Note that on the ground from May 22nd to the 27th, his telephone number will be on the documents that you will retrieve from the administration when you arrive on site on May 23rd.

Your assigned time of entry will be confirmed, as soon as all your documents are completed and sent back to the person in charge of logistics.

Please note that your exhibitor's bracelet grants you access to the site before and after public opening hours and allows you to bypass line-ups.

Looking forward to seeing you at the Windsor Station in May!

The 2024 Mondial de la bière team!
