

Sorties Flaveurs MONTRÉAL

Initiated in 2013, Sorties Flaveurs' mission is to reunite beer and fine cuisine and to present beer as a noble product, a product from our terroir that has its place on our tables. In that spirit, the Mondial dares the most audacious chefs of Montreal's restaurants to create original dishes cooked with beer and put them on their menu during the brewing week. (June 12 to 18)

Here is a list of participating restaurants:
