NB : Please indicate the positions of the connection board and the desired equipment on the installation plan, page 4.

The abovementioned fixed prices have been determined for the duration of the trade fair and include the installation, rental, maintenance and dismantling of the equipment set up. For special installations, an estimate may be submitted for approval.

All equipment shall remain the property of STRASBOURG EVENEMENTS and should be returned in a good condition. Any equipment that is missing or damaged shall be invoiced.

NOTA BENE

For all installations of sockets, lamps, etc., the power connection needed for the different electrical circuits must also be ordered.

The connection boards should remain accessible at all times. The switch must be turned off every day by the exhibitor on closing.

The connections wired to a terminal block (20 kW and more) must be carried out by qualified professional electricians (UTE C 18-530).

SLINGS AND RIGGING

To be returned to the Service Exposants de
STRASBOURG ÉVÉNEMENTS before 27/09/2010
accompanied by the technical order form,
the plan and the payment

Company _____

Hall _____ Stand No. _____

(Full contact details to be completed on the Exhibitor Information sheet)

requests that .S. E. :

- authorise it to install suspended elements in the roof structure of the hall above the stand
- draw up a quote for suspensions and riggings.

After the agreement of the organisation, and as far as is technically possible, rigging interventions on the halls' structures in the Parc des Expositions may only be carried out by the technical department of the Parc.

The service includes :

- the design and drawing up of a rigging plan based on the elements provided by the exhibitor,
- the rental and fitting of standby slings, fitted according to the information provided by the exhibitor,
- the removal of slings at end of the event.

As an option, the rental and fitting of suspended elements (bridges, scenic lighting, signs, etc.) may be offered by the Parc (please contact us).

Description of suspended elements :

- Weight : _____

- Dimensions : _____

- Height of slings in relation to the hall floor : _____

- Minimum number of slings (for reference only) : _____

All demands for rigging must be accompanied by a side elevation and dimensional drawing, displaying the suspended elements and their anchor points

In order to be dealt with, this order must be sent at least one month prior to the event.

Plan to be completed page 4.

GENERAL CONDITIONS FOR RENTAL OR TECHNICAL SERVICES

These general conditions shall apply to all requests for rental or technical services through the company STRASBOURG ÉVÉNEMENTS.

The customer hereby acknowledges that it is aware of these conditions for rental and expressly accepts them without reserve.

STRASBOURG ÉVÉNEMENTS shall in no way accept dispensatory conditions hereto, without its written and express approval. Similarly, the conditions of sale or general conditions of the customer shall be neither applicable nor enforceable, without the express agreement of STRASBOURG ÉVÉNEMENTS.

PAYMENT

Payment shall be made immediately on order.

In the event of late payment, the applicable penalties shall be equal to 1.5 times the current legal rate of interest.

EXCEPTIONS OR CLAIMS

Unless the lessee or service beneficiary has presented justified complaints in writing with regard to the state of the equipment rented or sold or the quality of the service, within a time period of 24 hours from the equipment rented or sold being made available or service being rendered, it shall be deemed that the equipment is in good working order and thus should be returned in the same state at the end of the rental, or that the customer received the service that it requested.

Beyond this time period, no complaint shall be accepted.

STRASBOURG ÉVÉNEMENTS hereby waives all responsibility for any documents, items, samples or equipment left by the lessee in the rented furniture or on the stand during its assembly, the event or its dismantling.

LIABILITY

In the event of rental or possession of any kind, liability shall be transferred to the customer upon delivery to the stand or the assuming of responsibility in the premises of STRASBOURG ÉVÉNEMENTS by said customer. Said customer shall be liable for any damage to the property, including theft and disappearance. Liability shall extend to the consequences of any damages suffered by third parties by means of the property. The customer shall be obliged to respond to all complaints, including those against STRASBOURG ÉVÉNEMENTS or any other parties, in the event that these complaints are based on damages caused by the rented property. The customer and/or the various lessees shall ensure that its insurance covers both damage to the rented property and liability in the event of any claims, it being agreed that such cover shall not constitute a limit to their liability. The customer shall in all events protect all the claims of STRASBOURG ÉVÉNEMENTS and all persons substituted in the rights and actions of STRASBOURG ÉVÉNEMENTS.

Special clause: any equipment that is destroyed, damaged or missing for whatever reason shall be invoiced in full.

JURISDICTION

In the event of disputes of any kind, the courts of STRASBOURG alone shall be competent, irrespective of the domicile or the place of use of rented or sold equipment or service rendered. French law shall be the only applicable law.

OTHER SERVICES

The order form for these services should be sent directly to the service providers :
