Montreal, April 2022

Dear Exhibitor,

We are pleased to welcome you to the 28th edition of the Mondial de la bière de Montréal. This is the time of year when we send the last information for the event's preparation. This exhibitors' manual contains valuable information such as: planning your participation in the event, setting up on site, conduct of the event and final dismounting.

The « Operational logistics » document is an important summary which should be kept in your kiosk for reference. Use it for an easy access to relevant information when changing staff! For any questions about the document, please contact Francis Blouin, Logistics Director at 514.722.9640 # 225 or logistiquem@festivalmondialbiere.qc.ca.

Your assigned time of entry will be confirmed, as soon as all your documents are completed and sent back to the person in charge of logistics.

Please note that your exhibitor's bracelet grants you access to the site before and after public opening hours and allows you to bypass line-ups.

Looking forward to seeing you at the Windsor Station in May!
