POSTPONEMENT of the Mondial de la bière de Montréal

Montreal, March 25, 2020 — In response to the recommendations from the Quebec Government about COVID-19, the Mondial de la bière, which was supposed to be held from May 21 to 24, will take place in the fall instead. The tentative dates selected are from Thursday, October 8 to Sunday, October 11, 2020, still at the Gare Windsor.

We remain up to date about the evolution of the situation and commit ourselves to respect the governments' guidelines and the Public Health recommendations.

About the Mondial de la bière de Montréal

The Mondial de la bière was founded in Montreal in 1994 by three beer lovers including Jeannine Marois, president of the event since 2002. A unique and friendly tasting event, it is considered a doorway to the brewing industry in Quebec and around the world. In addition to its elaborate professional side, the Mbeer school of beerology and the Greg Noonan Mbeer Contest, the festival offers visitors an education about beer. Over the years, it has become the most important international beer festival in America and its reputation extends worldwide.

In addition to the Mondial de la bière de Montréal, there are now three Mondial de la bière festivals on the international scene: the **Mondial de la bière de Sao Paulo, Brazil** from June 4 to 7, the **Mondial de la bière de Rio de Janeiro, Brazil** from September 3 to 7 and the **Mondial de la bière Europe, Paris, France** from September 11 to 13.
